

Staying safe at Patonga Caravan and Camping

Patonga Caravan and Camping Area

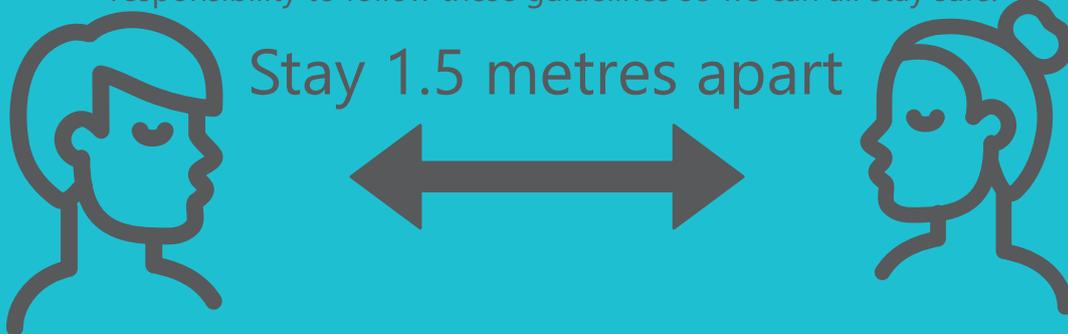

What we're doing

We want to help you stay safe at Patonga Caravan and Camping Area. We're providing regular and thorough cleaning across the Camp Ground, particularly at touch points.

What we need guests to do

COVID-19 is most likely to spread by being close to a person who is infectious. The more space you create between you and other people, the harder it is for the virus to spread. When staying at Patonga Caravan and Camping Area, please adhere to the strict Social Distance Rules and Regulations. There will be signs displayed throughout the Camping Ground advising guests of these rules. It is everyone's responsibility to follow these guidelines so we can all stay safe.

Keep other people safe

Stay at home if you don't feel well

Try not to touch other people

Wash your hands regularly and thoroughly

Cough or sneeze into your elbow - not your hands
